

Motorcycle, Trike & Automobile Open & Enclosed Hauling Trailers

AST's - Open Hauling Trailers

Aero Pod's - Enclosed Hauling Trailers

Our open and enclosed hauling trailers come in three models: the Model 1 to haul a single large touring motorcycle, the Model 2 to haul most trikes or two medium size motorcycles and the Model 3 which can carry two large touring type motorcycles, a large trike or even a Smart Car.

- They all come standard including the following:
 - Air Lowering – Air Ride Suspension - Aluminum Wheels/Radial Tires – Spare Tire on Steel Wheel - Front Jack with Wheel
 - The AST's include an Aero Rock Shield & full fiberglass fenders.
 - The Aero Pod's include a full fiberglass body and gas assisted lift up rear entry door and locks, plus includes an 18" deck extension built into the chassis.
